

Playzeum

OF CENTRAL CALIFORNIA AT STORYLAND

Inspired Learning Through Inspired Play

- Playzeum delivers a variety of educational options for children 2-8 years old with exhibits like our unique blocks, PVC Piping, Magnetic Trees, Tessellation Blocks & more
- Free choice, child-directed play allows children to ask questions, solve problems, try out new skills and imagine any possibility – all at their own pace
- Playzeum was conceived by education & museum professionals and is focused on nurturing young children's creativity and problem-solving, literacy, and mathematical skills through play
- Playzeum is designed to inspire spontaneous, loose-party play - the kind of play that is critical to the development of young minds

THE PLAYZEUM EXHIBIT IS LOCATED WITHIN STORYLAND & IS OPEN

Wednesday through Sunday
